

FPL
Energy Services™

Natural Gas Supply for Hotels

FPL Energy Services, Inc. (FPLES) is a trusted supplier of natural gas, experienced in providing hotels with straightforward, cost-effective pricing strategies to help manage your natural gas needs. Maintaining a reliable supply of natural gas is critical to enhance the overall guest experience, which is why customers rely on FPLES.

With an industry-leading set of capabilities, backed by more than 100 years of combined experience, we provide you with reliable and stable natural gas supply solutions. We understand the unique needs of hotels, including seasonality and the nuances of the local gas market in Florida. As a long-term partner, we're committed to delivering your natural gas supply with unparalleled customer service, industry advice, and flexible pricing options designed to meet your hotels needs.

A First-Choice Natural Gas Supplier

We understand the unique challenges of managing a hotel and the importance of delivering a reliable supply of natural gas. Customers choose FPLES as their natural gas supplier because they have the assurance of doing business with one of the most respected companies in the energy business. As a financially stable company, FPLES provides customers with competitive natural gas rates, a reliable supply, flexible pricing options, accurate billing, and personal customer service. FPLES' natural gas consultants are available to personally assist you with your natural gas needs, including questions you may have about your natural gas usage.

An Experienced Supplier

With more than 100 years of combined experience, FPLES has the expertise, capabilities, and financial backing to supply your hotel for the long-term. As a Florida based company, we understand the local climate and seasonality of the gas market. Our reputation as a supplier reflects our commitment to operational excellence and, as part of NextEra Energy, Inc., our financial backing is solid.

Competitive and Flexible Pricing Options

We carefully evaluate each customer account and recommend the most cost effective pricing strategy for your hotel. By factoring in seasonality, tariff, tax advantages, and all other available opportunities, FPLES offers flexible pricing options designed to best fit individual needs.

Our Commitment

FPLES goes above and beyond to offer a reliable and straightforward natural gas supply. We are devoted to being your supplier of choice and we are committed to make doing business with us fast, easy, and hassle-free.

Free Gas Analysis and Expert Advice

A natural gas consultant will be assigned to personally evaluate your current natural gas terms, free of charge, and show you how FPLES can make a visible difference in your natural gas supply service. Our local gas consultants are conveniently located across the state, to deliver personal service and are always available to you.

Our Natural Gas Consultants Provide:

- » Experience and expertise working with hotels
- » Personalized service, expert advice, and over 99.9% billing accuracy
- » Competitive pricing with no hidden fees
- » Customized pricing solutions, including fixed price options with an option to lock-in your price up to 36 months
- » Free analysis of your current natural gas costs

Let FPLES customize your no-cost, no-obligation natural gas quote today.
