Natural Gas Supply Services for Laundromats

At FPL Energy Services, Inc. (FPLES), we understand the demands you face managing a laundromat facility. Being responsive is critical and the last thing you need to worry about is having a reliable supply of natural gas at a competitive price.

We believe in going above and beyond to meet the unique needs of laundromat facilities. With more than 10 years of experience in the natural gas industry, we understand the nuances of the Florida market. Our team of natural gas experts provides world class personal service, and is uniquely equipped to support you in seeking new ways to control your natural gas usage and achieve greater budget stability.

In times of uncertainty, FPL Energy Services can provide certainty

FPLES understands the vital need of providing a reliable supply of natural gas at a competitive price. We offer flexible pricing options designed to best meet your budgetary needs. Our dedicated team offers prompt and effective support, personal service, and expert industry advice coupled with world class billing accuracy.

Reliability

FPLES is a reliable natural gas supplier committed to providing you with a competitive price. Our experts in natural gas operations and analytics study the rapid changes of the gas market every day to procure a reliable and low-cost supply. As a NextEra Energy, Inc. company, which includes the largest transporter of natural gas in Florida with decades of operational experience and financial stability, our financial backing is solid. No other gas company in Florida can claim an association you can trust more.

Our Commitment

FPLES goes above and beyond. We're devoted to being your supplier of choice, committed to make doing business with us fast, easy and hassle-free with 97% of our customers stating they are satisfied with our service and overall value provided as a supplier.

Competitive & Flexible Pricing

Because the gas market is volatile and conditions continuously change, it is important that pricing terms be flexible enabling you to achieve budget stability throughout the term of your contract, as these market changes occur.

Our Natural Gas experts provide:

- » Personal service and expert advice
- » Free analysis of your current natural gas costs
- » Straightforward and accurate billing
- » Ongoing review and analysis of the gas market ensuring optimum budget stability
